

## **Full job description: Fabrication Shop Helper**

### **Helper**

#### **Position Summary:**

A worker who performs various tasks primarily involving manual material handling of tools, equipment, or materials in addition to assisting craft workers.

#### **Duties and Responsibilities:**

- Assist fitters or welders in fitting and welding tasks, such as positioning and aligning structural metal components in the fabrication of steel structures under the direction of craft workers.
- Maintain an orderly and clean work area.
- Complete any relevant specific job duties as required by immediate supervision.
- Operate punches, grinders, drills, saws, oxy-fuel torches, and other basic equipment & hand tools.
- Manually move, lift & transfer material, and safely operate overhead cranes.

#### **Qualifications and Requirements:**

- Must be at least 18 years old.
- Ability to read a tape measure.
- Basic knowledge of shop math.
- Adhere to all Agrico Sales Safety Rules, Policies, and Procedures.

#### **Physical and Environmental Requirements:**

- Ability to stand for long periods of time.
- Ability to frequently pull, push, carry, or lift tools, equipment, or materials 50 lbs. or less.
- Ability to withstand frequent bending, squatting, or crouching.

- Ability to frequently handle (hold, seize, grasp, turn, etc.) tools, equipment, or material.
- Ability to work in inclement weather conditions, including cold, heat, and humidity.

**Join our dedicated team at Agrico Sales and play a vital role in the successful completion of projects for the dry-bulk industry.**
